

2020 World Armwrestling & Para-Armwrestling Championships moved to 2021

Dear WAF Members,

Dear armwrestling friends,

We hope our news finds you well and healthy.

We are sorry to inform you that the 2020 World Armwrestling & Para-Armwrestling Championships have been cancelled and moved to 2021 same location and period. Batumi, Georgia, September 2021.

Over the past months WAF Executive Board have explored all the options to postpone the championships later this year. The uncertain situation created by this virus, travel restrictions and now the official letters from the Georgian Government and from the Georgian Armwrestling Federation, made WAF Executive Board to take the difficult decision to cancel the worlds this year.

We hope you will all keep training and we look forward to the next armwrestling championships.

Stay safe and strong,

WAF Executive Board
