

WORLD ARMWRESTLING DAY APRIL 20 AT HOME

Dear WAF Members, athletes, teams, referees and officials,

Dear friends.

HAPPY ARMWRESTLING DAY 2020 !!!

20th of April, the World Armwrestling Day, the annual celebration of the Armwrestling sport, will, this year be celebrated at home, in the light of the global spread of COVID-19.

Instead of the public armwrestling events, championships, activities and social gatherings taking place around the world, this year, armwrestlers all over the world will celebrate home and spread the news of our Armwrestling Day on the social media.

I wish you to stay strong and safe and I believe soon we will restart our beloved sport of Armwrestling.

Happy Armwrestling Day !!!

Assen Hadjitodorov

WAF President
